

Relational Bible Study
Scripture: _____

- 1) In one word, how do you feel about this passage?

- 2) What one thing really stands out to you?

- 3) Can you illustrate this truth from your personal experience? If not, perhaps you can share a Bible story that illustrates this point.

- 4) If you could ask God for one thing regarding this, what would it be? How can we pray for you?

- 5) In light of what we've shared and prayed what are you going to do different this next week? Can I call and check on how you are doing?
